

## Testing Center – Brazos Valley Flight Services

Easterwood Airport - General Aviation Terminal

Note: this is not the McKenzie terminal where scheduled air service operates

Address:

**1820 George Bush Dr. W**

Bldg 1091

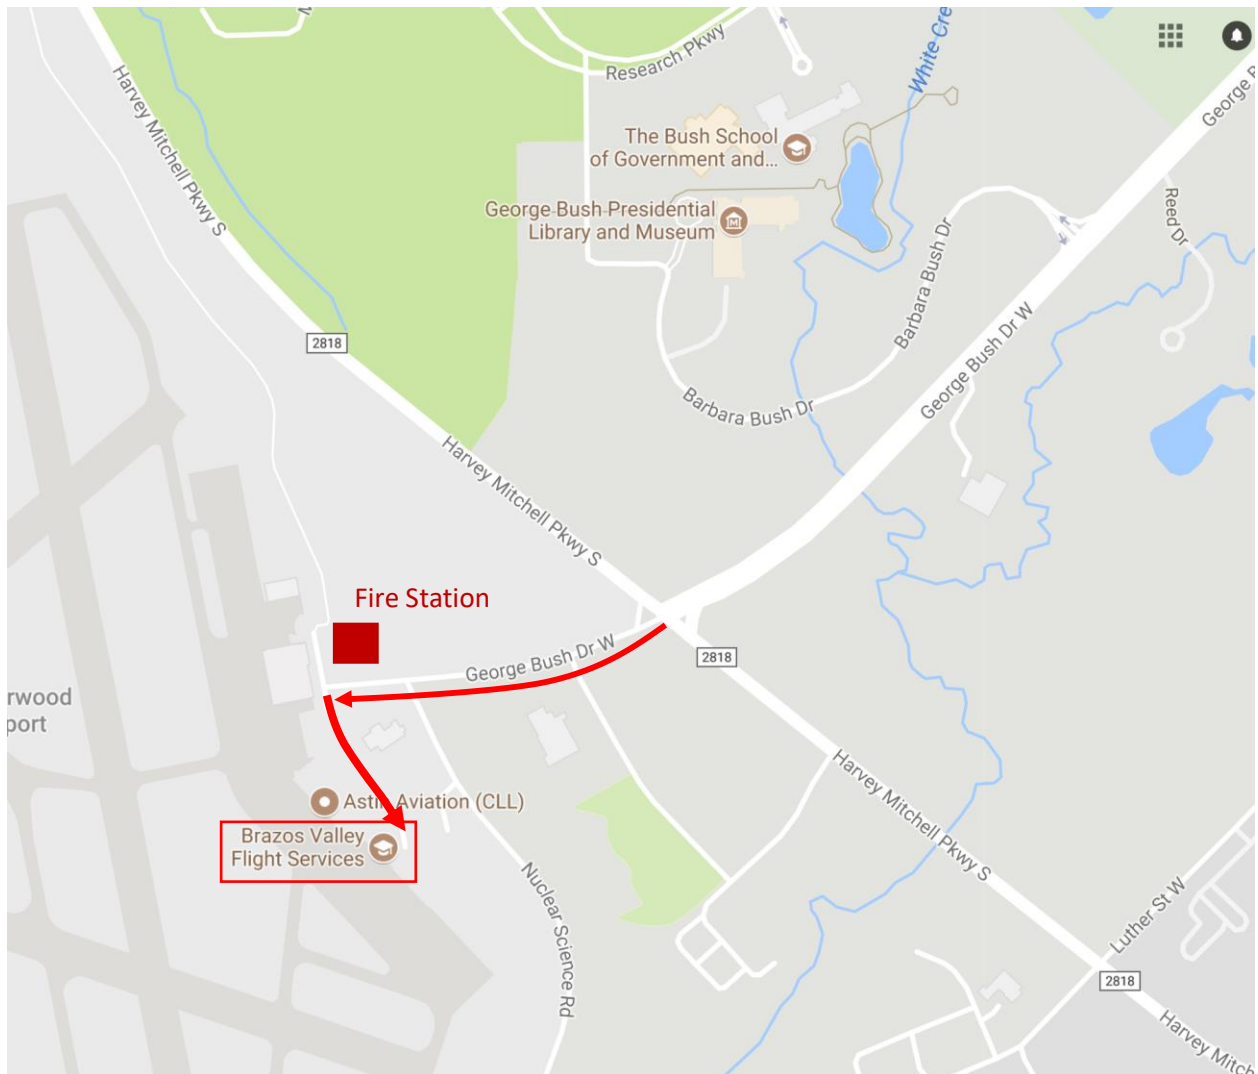

**College Station, TX 77845**

Office: 979-260-6322, <http://bvfs.net>

Normal business hours: Tue to Sat, 10:00 AM to 5:30 PM CT

### How to reach us

If you enter the address in your GPS exactly as typed above in bold, it will take you to the right place. If you mistype or do not include the final W (for West), it may take you to the other side of town. Here is a map:

**From Texas Avenue** in College Station turn west on George Bush Drive W., cross over Harvey Mitchell Parkway (2818), continuing **straight on George Bush Dr. W. past the traffic light.**

**From FM 60 (University Dr.)** turn south on Harvey Mitchell Parkway (2818). **Turn RIGHT** on George Bush Dr. W., continue straight toward the airport for 0.2 miles.

**From Harvey Mitchell Pkwy (2818):**

- if you are going NW (toward Bryan) then **turn LEFT** on G. Bush Dr. W at the traffic light
- if you are going S (toward College Station) then **turn RIGHT** on G. Bush Dr. W. at the traffic light.

**Then:**

At the stop sign **next to the Fire Station turn left** (south) toward Astin Aviation, which is just next to the Control Tower. **Hangar 1091 will then be in front of you.**

Park in the lot adjacent to the hangar or near the FBO. You will see our sign: access to the school or the Testing Center is through the door outside the hangar. If for some reason the door is locked during normal business hours, call for assistance.
