

Date of estimate: 4/9/18

These good faith estimates are provided for convenience and are based on a number of assumptions.

Hours and cost to complete the training may vary for each person.

We have done our best to account for average performance and not best case scenario only.

<b>Commercial</b>	Hours	Cost	Total
Dual flight training			
Piper P28R	16	\$ 144.00	\$ 2,304.00
Instruction	16	\$ 40.00	\$ 640.00
